

Contingency Planning for Your Pantry or Program

March 13, 2020

Having a good plan in place and developing flexible policies and procedures can help reduce infection and keep your pantry/program environment and volunteer force healthy. The CDC offers interim guidance specifically for Community and Faith Based organizations to prepare for Coronavirus.

- Guidelines and actions for planning consideration can be found at: <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/guidance-community-faith-organizations.html>
- A more simplified checklist to Get Your Organization Ready and Prepared can be found at: <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/checklist.htmls>

Some guidance or recommendations may not apply to your organization but can help you get started with planning or enhance your current plan.
